DETAILED ACTION

1. Claims 23-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 23, on column 16, line 1, the limitation "output means" is inaccurate. It should read --rejected material conveyor--.

2. Claims 26-52 are rejected under 35 U.S.C. 251 as being an improper recapture of broadened claimed subject matter surrendered in the application for the patent upon which the present reissue is based. See *Hester Industries, Inc. v. Stein, Inc.*, 142 F.3d 1472, 46 USPQ2d 1641 (Fed. Cir. 1998); *In re Clement*, 131 F.3d 1464, 45 USPQ2d 1161 (Fed. Cir. 1997); *Ball Corp. v. United States*, 729 F.2d 1429, 1436, 221 USPQ 289, 295 (Fed. Cir. 1984). A broadening aspect is present in the reissue which was not present in the application for patent. The record of the application for the patent shows that the broadening aspect (in the reissue) relates to subject matter that applicant previously surrendered during the prosecution of the application. Accordingly, the narrow scope of the claims in the patent was not an error within the meaning of 35 U.S.C. 251, and the broader scope surrendered in the application for the patent cannot be recaptured by the filing of the present reissue application.

Independent claims 26, 35, 36, 41, 42 and 52 did not recite the following limitations:

1. "a first lower part pivotally attached to the chassis"
2. "a first upper part pivotally attached to the first lower part"

Art Unit: 3653

3. "the first lower part is at an angle to the first upper part"

4. "the first upper part extends over the chassis"

Independent claims 50 and 51 did not recite the limitations number 3 and 4 as shown above.

The above limitations were added in the applicant's amendments filed and received on March 13, 1998 and April 27, 1998 in application serial number 08/628,881.

3. Claims 23-25 are would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

4. Claims 1-22 are allowed.

5. Any inquiry concerning this communication should be directed to Examiner Tuan Nguyen at telephone number 703-308-3664 or FAX number 703-746-3803.
